

Bailie's Gymnastics

Auto-charge Application

Feeling like you have too many things to keep track of? Our Auto-Charge system can take one thing off of your to-do list! By charging your tuition automatically, you will pay the lowest tuition rate and your child's spot will always be held in the class because tuition was received by the first lesson of the month.

Please fill out this form and return it to our office if you would like your Visa or MasterCard Debit or Credit Card charged automatically. Your card will be charged on the first day of each month unless you notify us before that date that you would like to change your payment option.

Please remember that payments are non-refundable and that tuition is based on enrollment in the class, not on attendance. If your child misses a lesson that you have paid for, every effort will be made to help you schedule a make-up class, but please note that make-up classes are not guaranteed to be available.
